1. CONTRACTING ENTITY:

Monómeros Colombo Venezolanos S.A., a commercial company with 56 years in the petrochemical industry, a subsidiary of the Venezuelan state-owned company, Petroquímica de Venezuela S.A. (Pequiven), located near the mouth of the Magdalena River in the city of Barranquilla, Colombia.

2. CORRESPONDENCE AND COMMUNICATIONS:

Communications related to the Procurement Process must be made in writing to the following e-mail address: licitacionabatimiento@monomeros.com.co.

Any type of communication required by interested bidders must contain at least the following information:

- (a) The number of the present Selection Process: [003-2024];
- (b) Sender data including name, physical address, e-mail address and telephone number;
- (c) Identification of the annexes submitted with the communication.

It is hereby clarified that communications and requests sent to Monómeros through channels other than the one mentioned in this document **will not be taken into account**. Monómeros will respond to the observations and concerns received from the bidders through an official document published in the web page provided for such purpose.

3. OBJECT OF THE PROCESS:

To contract the "Supply of a secondary nitrous oxide (N₂O) abatement system for the Monómeros nitric acid plant, located in the Special, Industrial and Port District of Barranquilla, Department of Atlántico - Colombia, in the context of the Nitric Acid Climate Action Group (NACAG) initiative".

3.1 DETAILED SCOPE OF THE CONTRACTUAL OBJECT.

The successful bidder in this tender process shall be obligated to Monómeros to execute each and every one of the activities and to deliver the goods described in Annex 1A "Technical Specifications - Requirements for Goods and Services; document that is an integral part of this selection process and of the future contract (See Annex 1A).

4. SELECTION METHOD:

In order to meet the requirements defined in the grant contract signed with the Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ), the call and selection process will follow the principles established by Colombian legislation on public procurement, which for this call corresponds to the **International Open tender**, where it is determined that the most advantageous offer will be the one resulting from the weighting of quality and price elements, supported by scores and the formulas set forth in this bidding document.

5. TERM OF EXECUTION OF THE CONTRACT:

To guarantee the development and compliance of the activities required in the supply of a Secondary Nitrous Oxide (N₂O) Abatement System, the interested bidder shall specify in its proposal, the time or term it deems convenient to perform and comply with each and every one of the activities described in Annex No. 1A *"Technical Specifications - Requirements of Goods and Services"*. In any case, the Time of Execution shall be the one agreed between Monómeros and the contractor who is awarded the contract.

6. VALUE OF THE CONTRACT.

The value of the contract shall be that resulting from the selection process taking into account the value of the winning offer. In any case, the final value of the contract shall correspond to the goods effectively delivered and received to the satisfaction of Monómeros, during the time of execution of the contract.

In accordance with Article 96 of Law 788 of 2008 amended by Article 138 of Law 2010 of 2019 regulated by Decree 1651 of 2021, the purchase and importation of the goods required by Monómeros, are **exempt from any tax, fee or contribution in accordance with** the Common Utility Certificate. Said Certificate of Common Utility will only be delivered to the awarded supplier as an annex to the contract.
