

ADDENDUM No. 1
PARTIAL MODIFICATION TO THE FINAL BIDDING DOCUMENTS
INTERNATIONAL OPEN BIDDING MONÓMEROS 002-2024

Purpose: To contract the “*Supply of a Continuous Emissions Monitoring System (CEMS) for nitrous oxide (N₂O), for the Monómeros nitric acid plant, located in the Special, Industrial and Port District of Barranquilla, Department of Atlántico - Colombia, in the context of the Nitric Acid Climate Action Group (NACAG) initiative*”.

The company Monómeros Colombo Venezolanos S.A., considers convenient for the objectives of the selection process through the International Open Bidding modality, to **EXTEND THE DEADLINE FOR THE IN-PLANT VISIT**, so that the interested suppliers may know in detail the technical requirements of the plant and the continuous monitoring system to be contracted.

Accordingly, the schedule of the Bidding process is **MODIFIED** as follows:

ETAPA 3 (PLIEGOS DEFINITIVOS)			
N°	ACTIVITY	RESPONSIBLE	DATE
1	Date established for the on-site visit to the Nitric Acid Plant by interested bidders. (Hours: From 7:00 am – 11: am).	Monómeros	26/09/2024

Communications related to the Contracting Process must be made in writing to the following e-mail address: licitacionabatimiento@monomeros.com.co.

Any type of communication required by the interested bidders must contain at least the following information:

- (a) The number of the present Selection Process: [002-2024];
- (b) Sender's data including name, physical address, e-mail address and telephone number;
- (c) Identification of the annexes submitted with the communication.

It is clarified that communications and requests sent to Monómeros through channels other than the one mentioned in this document **will not be taken into account**. Monómeros will respond to the observations and concerns received from the bidders through an official document published in the web page provided for such purpose.

Given in the city of Barranquilla - Atlántico, on the 19th day of September 2024.

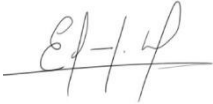

The Structuring and evaluation committee.
