MINUTE N° 001-2024

International Open Tender Monómeros - 002 of 2024.

The company Monómeros Colombo Venezolanos S.A., within the framework of the International Open Bidding to be carried out under the parameters and guidelines defined by the Public Procurement Regime in Colombia, hereby states for the record that;

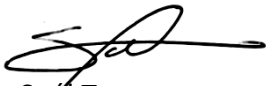

On the date established in the schedule of the Draft Bidding Terms and Conditions of the bidding in reference, **NO questions or observations were received** from the suppliers, whose term expired on September 5, 2024.

In view of the foregoing, Monómeros will publish the documents containing the **final specifications tender documents**, inviting interested suppliers so that, within the time established in the schedule of the process, they may formulate and send the questions and/or suggestions they consider necessary, on the conditions and requirements related by Monómeros in the present process.

It is recommended to the interested suppliers to study and know the technical specifications that will be requested as mandatory in the contract, as well as the enabling requirements (**legal, technical, financial and organizational**) and the additional factors that will be evaluated in the qualification process for each one of the bidders.

In evidence of the foregoing, this document is hereby published on September 10, 2024.
